

# Community Giving LEAVING A LEGACY

For nearly a decade, individuals and organizations have looked to The Community Foundation for Carver County to help them support the causes they care about and leave a lasting legacy.

## What We Do

### Engage Citizens

Our priority is to help people better understand community needs, learn about causes they care about and identify ways they can make a difference.

### Connect Resources

The Community Foundation serves as a trusted local leader and community catalyst by building connections between people and leveraging tools to increase the impact of philanthropy.

### Build Community

We shape the future of Carver County communities by actively convening people around ideas and plans that improve quality of life today and for generations to come.

## What to Expect

### We listen.

Our duty is to provide unparalleled, personalized donor service. That means listening so we can connect your passions with a flexible plan that enhances the impact of your gifts.

### We guide.

Whether you have specific charities in mind or an overarching cause, we help you find financial tools that allow you to stretch the impact of your charitable gifts today and leave a legacy that can last forever.

### We manage.

You set the plan and we're here to administer your wishes – making sure your giving is bringing about the lasting, positive change you desire.
